About PSH

PSH belongs to corporate group FONTENAS, S.L. Human cosmetics manufacturer for over 50 years. Our experience guarantees our quality, as we comply with all specified regulations for human hair care on all of our pet line cosmetics. (Quality and agricultural control, product registration, etc.) PSH also complies with all of European Economic Area’s regulations, which also translates into certified quality.

PSH was created early 2010, with the main purpose of helping all professionals from the dog, cat and horse caring and grooming field. PSH has since then tried to cover all those needs that may result from pet and animal care.
Since 2010, PSH has experienced a remarkable growth, being implemented on diverse countries from all continents, as a high end cosmetic producer.

PSH has always been open to the market needs, developing and improving its products in order to adjust to the changing pet and animal demands.

Coat’s hygiene

General · All breeds

**All Round Kiwi Shampoo**
High quality, basic shampoo for all breeds. Not aggressive to pet’s coat. Concentrated product. Cleans deeply.

**Presentation:**
Gr. 5L - Fr. 1L - Fr. 250 ml.

**Dry Shampoo**
Cleans deeply. Indicated for whitening yellowish areas. High absorbing power (Titanium Dioxide and Aluminum) allows hair to acquire a clean, healthy shine after brushing.

**Presentation:**
300 ml gas spray.

**Antiparasitic Shampoo with Andiroba**
Antiparasitic shampoo effective against fleas, ticks, mosquitoes and other insects. It contains Andiroba with hydrating, soothing and relaxing qualities. 100% natural, non-aggressive to your pet’s coat. Not toxic if swallowed.

**Presentation:**
Gr. 5L - Fr. 1L - Fr. 250 ml.

**Silk x2 Puppies with Biotin**
It contains a vitamin complex that enhances hair growth and vitality, activating and regulating the function and health of the hair bulb and follicle. It hydrates and conditions. Special use on puppies and dogs with delicate coat/hair.

**Presentation:**
Gr. 5L - Fr. 1L - Fr. 250 ml.
Coat’s hygiene
Specific • Coat type

**Seaweed Dandruff Shampoo**
It is specially indicated for skin with an excess of seborrhoea, allowing hair to restore its softness and natural shine and making brushing easier. It regulates the secretion of the sebaceous glands, improving blood circulation and eliminating bad odours.

**Presentation:**
Gr. 5L - Fr. 1L - Fr. 250 ml.

**Aloe Vera Hydrating Shampoo**
A hydrating shampoo that helps damaged, dry hair to restore its texture, softness and natural shine. It has relaxing and healing properties. Specially indicated for long-haired breeds, making brushing easier and reducing the appearance of hair mats.

**Presentation:**
Gr. 5L - Fr. 1L - Fr. 250 ml.

**Maltese and Yorkie Shampoo**
Specially formulated for Yorkie and Maltese or breeds with silky hair whose coat requires extreme care, hydration and conditioning. It reduces or eliminates the appearance of mats and enhances smooth hanging and softness of hair.

**Presentation:**
Gr. 5L - Fr. 1L - Fr. 250 ml.

**Quinado Shampoo**
Specially indicated for dogs with short, wiry hair. It maintains the original hair texture of your pet.

**Presentation:**
Gr. 5L - Fr. 1L - Fr. 250 ml.

**Grape Seed Volumizing Shampoo**
Specially recommended for types of hair that require more volume. For breeds with curly hair or a thick undercoat.

**Presentation:**
Gr. 5L - Fr. 1L - Fr. 250 ml.

**IMPROVED PRODUCT**
White Titanium Shampoo
Specially formulated to obtain whitening of dogs with delicate and white coats. The incorporation of Titanium Oxide helps your pet’s coat regain its spectacular whiteness and shine. Regular use of product enhances the whiteness of the coat. Does not dry out hair.

Presentation:
Gr. 5L - Fr. 1L - Fr. 250 ml.

Colour Enhancing Shampoo
Shampoo formulated to intensify the colour of white, bi and tri-coloured coats, specifically to eliminate the yellowish stains on the white areas of the coat.

Presentation:
Gr. 5L - Fr. 1L - Fr. 250 ml.

Black and Gray Enhancing Shampoo
Shampoo formulated to intensify the black and gray coloured coats.

Presentation:
Fr. 1L.

Golden and Brown Enhancing Shampoo
Shampoo formulated to intensify the golden and brown coloured coats.

Presentation:
Fr. 1L.
Hair Treatment

Conditioners

**Revitalizing Conditioner**

The new PSH Revitalizing Conditioner allows your pet’s dry, damaged and weakened hair to recuperate its optimal state, preventing mats for a longer period of time.

Specially indicated for long, medium or thick coats.

**Presentation:**
Gr. 5L - Fr. 1L.

**Detangler Spray**

It has been developed to improve combing and eliminate hair knots. Lotion formulated out of natural oils with a high nutritive and hydrating power. Hydrates, helps combing and leaves a pleasant scent. It can be used on dry or wet hair. It does not grease, so it can be used at any time.

**Presentation:**
Fr. 500 ml.

Hair Treatment

Rinsing mask

**Collagen Mask**

Mask specially formulated to quickly recuperate the restructuring of pet’s coat, returning elasticity and avoiding breakage. Does not weigh hair down or cause greasiness. Greatly facilitates the elimination of mats. It is particularly recommended for dogs with long, medium or dense hair.

**Presentation:**
Tr. 1 k - Fr. 250 ml.

**Bio Protein Mask**

Specially indicated for the conditioning and nourishing of all types of coats. It protects against UV rays, protecting coat from overexposure to the sun. It increases volume and elasticity of coat.

**Presentation:**
Tr. 1 k - Fr. 250 ml.
Hair Treatment

Keratin Treatment

Smooth Keratin Shampoo & Mask

Smoothing treatment to be used with Keratin Shampoo. It repairs your pet’s hair by filling in keratinic breakage, giving it a natural look. Specific for breeds with long, straight hair. Provides a long-lasting smoothing effect, avoids frizziness and improves quality and nutrition of hair fibre.

Presentation:
Fr. 1L - Fr. 250 ml.

Extra-hydrating Argan oil treatment

Shampoo, Mask and Serum

Specially formulated for your pet’s coat, hydrating and favouring its generation from the roots to the ends. Specifically for dry or damaged coats. It contains Argan oil rich in essential fatty acids that enhances capillary recovery.

Presentation:
Shampoo and Mask:
Gr. 5L - Fr. 1L - Fr. 250 ml.

Serum:
Fr. 125 ml.
Two-Phase Conditioner

Apply on damp or dry hair. Its two-phase composition works on the cuticle and cortex simultaneously. Specially indicated for medium or long, thick coats that are frequently brushed. It facilitates the elimination of tangles and mats.

Presentation: 300 ml spray “no gas”.

Body and Hair Volumizer

A modern product that provides volume and body to the coat. It hydrates and conditions. Specially indicated for breeds that require total or partial volume. It prevents static electricity.

Presentation: 80ml - 300 ml spray “no gas”.

Texturizer Coat’s Hard Fix

It provides texture, resistance and light flexibility to coat. Specifically indicated for breeds that require volume and strength in their coat’s.

Presentation: 300 ml gas spray.

Final Touch

Formulated to create volume and texture. Conserves natural aspect of coat, enhancing shine.

Presentation: 80ml - 400 ml gas spray.

X-Trem Shine

Product that provides shine, elasticity and softness to coat. It can be used on all breeds. It facilitates brushing on clean coats or coats treated with texturizers.

Presentation: 80ml - 300 ml gas spray.

Glow Ultimate Finish

Conditioner that provides a great shine and a mantle of soft and silky effect. Avoid the breakage of the hair and favoring the brushing thereof. Perfect to finish washing your pet.

Presentación: 300 ml spray “no gas”.

Shine and Whitening

**Permanent Whitener**

The new PSH Permanent Whitener has been created to fulfill the need of whitening dark stains on pets with white coat’s.

Presentation:
40 gr. package

**Permanent Revealer**

It’s use requires professional experience due to fact that a test on an inconspicuous, non-sensitive area of your pet’s coat must be previously performed. The results depend on the amount of time the product is left in, with the possibility of repeating the process a few days later if the stain is very dark or if we want to obtain a brighter white. This product should be used EXCLUSIVELY with the PSH Revealer, which is specially formulated to obtain optimum results on your pet’s coat.

Presentation:
Fr. 80 ml.

**Grooming Powder**

Absorbing and whitening powder. Lightens darkened areas.

Presentation:
Tr. 150 gr.

Body hygiene Cleaners

**Clean Ears Gel**

Its main active ingredient is tea tree oil, proven to be a natural antiseptic, conditioner and decongestant, guaranteeing a very efficient cleaning of the ears.

Presentation:
Fr. 250 ml.

**Clean Eyes**

This lotion has been specifically formulated to disinfect and clean the eye and to prevent the appearance of “rust stains” around the eyes.

Presentation:
Fr. 250 ml.
Cleaners

**Hair Treatment**

**Serum Silicon SilK**
Formulated to give shine and softness to coat, enhancing colour and allowing it to hang naturally.

**Presentation:**
Fr. 90 ml.

**Fit Ends**
Formulated to delay the aging of the ends of your pet’s hair. It repairs and reinforces the resistance of the capillary fibre, giving your pet’s coat a healthy look with more volume, shine and smoothness. It can be used on all breeds, but it is particularly recommended for dogs with long, medium or dense hair.

**Presentation:**
Fr. 250ml - Fr. 90 ml.

**Ear Powder**
PSH EAR POWDER absorbs the excess of humidity that is found inside the animal’s ear and relieves irritation when it is not caused by parasites. Eliminates bad odour. It also helps to prevent bacteriae from developing due to humidity excess. It eases ear canal hair removal.

**Presentation:**
Fr. 80gr.
Microsilver BG

**Microsilver Shampoo BG**
Specially formulated for skin recovery. Serves as preventive and curative treatment of pet’s hygiene subject to bacterial infections. It eliminates odours caused by bacteria. It provides softness and hydration. It contains Microsilver BG particles that prevent the spreading of bacteria.

**Presentation:**
Fr. 1L - Fr. 250 ml.

**Microsilver BG Balsam**
Intensive treatment for the regeneration of skin due to problems of bacterial origin. It accelerates the healing of wounds. It eliminates odours caused by bacteria. It serves as preventive and curative treatment of pet’s hygiene subject to bacterial infections. It provides softness and hydration. It contains Microsilver BG particles that prevent the spreading of bacteria.

**Presentation:**
Fr. 1L - Fr. 250 ml.

---

**Hair Treatment Special for Paws**

**Care Paws**
Specially formulated for the protection of cat and dog pads exposed to extreme conditions. Its high bactericide and healing power offer extra protection to the skin of the pads. The incorporation of active ingredients (aloe vera, Microsilver BG, etc.) prolong protection of the skin with regular use.

**Presentation:**
Tr. 100ml.
Perfumes
COCONUT - PEACH - STRAWBERRY - WATERMELON - PUPPY

Fruit perfumes of very low alcohol content. Fresh and fruit scents for both male and female. Extremely low allergic level.

Presentation:
Fr. 80 ml.

Cat and Dog Line
Repelent + Shine

Insect Repelent + Shine

PSH has developed a Non-Toxic and natural insect repellent. Suitable for use on both dogs and cats. Non-toxic if swallowed, therefore use on cats, puppies or sick animals is possible without secondary effects. It has been formulated with a natural insect repellent. Andiroba oil, which has been used for centuries by the Amazonian Indians offering excellent results. It repels and eliminates common parasites during summer season. It also prevents mosquito fleas and ticks. Due to the incorporated shining agents, your pets coat will offer a lustrous and natural aspect. Non-greasy and 100% suitable for use with other PSH products.

Presentation:
Fr. 250ml - Fr. 750ml spray.
**Long Hair Shampoo**

A hydrating shampoo that helps damaged, dry hair to restore its texture, softness and natural shine. It has relaxing and healing properties. Specially indicated for long-haired breeds, making brushing easier and reducing the appearance of hair mats.
